

Office of the Sheriff Candidate
— Christian —
MEISTER
LEE COUNTY FL USA 2012

January 14, 2011

Circuit Chief Judge G. Keith Cary
Lee County Justice Center
1700 Monroe Street
Fort Myers, Florida 33901-3071

Dear Honorable Circuit Chief Judge G. Keith Cary:

Your failure to respond to my letter dated October 27, 2010, covering the injustices of the Courts in your Circuit is an obvious oversight on your part or a display of unacceptable arrogance. It is of grave concern that these issues are not addressed, to date.

The October 27 letter outlined several violations pertaining to the Florida Rules of Civil Procedure and other rules, laws, standards, and procedures. These issues are not an occasional violation of the rights of homeowners appearing in the mortgage foreclosure Courts in your Circuit, but they appear to be the status quo.

The letter also addressed the lies, fraud, and forgeries of documents presented by banks, and the misconduct continues to date.

As Chief Judge, the responsibility to see that justice is served is a burden you accepted when you were elected to office. To shirk your sworn duty is very disturbing to witness as it relates to the behavior of the presiding Judges.

The Court's failure to maintain civility and respect for the defendant homeowners in the foreclosure process is an abomination. It is apparent that you do not believe that it is necessary for you to respond to a citizen's concern about the observed injustices in the foreclosure proceedings

I do not expect you to respond to the issues I addressed in my original communication with you; it is evident that the concerns of a citizen rank very low on your list of responsibilities.

Sincerely,

Christian Meister
Lee County 2012 Sheriff Candidate
